Option one – The Globetrotters of Turkey

In this option (only suggestions, you can tailor your trip the way you think is most suitable for the type of globetrotter you are), you will explore Turkey so well that you will never want to leave again. It's a road trip from Istanbul to Alaçati, with many nice stops!

- Flight destination: Istanbul
 - Istanbul Airport, or
 - Sabiha Gokcen International Airport
- Must do's in Istanbul: Hagia Sophia - Topkapı Palace - Blue Mosque - Basilica Cistern - Grand Bazaar – Turkish hammam and sooooo much more!
- Izmir (5h drive from Istanbul – option to rent a car/van (no worries – perfectly fine to drive in Turkey – approved by Gilles)) – for sure to visit: Ephesus (Ancient Greek City – second biggest city of the Roman Empire)
- Bodrum (3h drive from Izmir – 2h25 from Ephesus)
- Akyaka – our favourite kite spot in Turkey (2h drive from Bodrum) but only highly recommended for kitesurf
- Alaçati (3h45 drive from Akyaka) – stop in between: Urla (next to Alaçati and famous for its kitesurf spot and its amazing wines)

➤ Return flight from Izmir (59 min. drive from Alaçati)

➤ For the die-hard globetrotters (very optional):

○ Kas (amazing beaches and sailing area) –

3h drive from Akyaka

○ Antalya (amazing beaches and sailing area)
