

**Wedding
Hazal & Gilles**

Option two – The Chillers of Turkey

In this option, you will be ‘chillaxed’ and/or become a kitesurf professional or you don’t have many holidays left and you can only come to celebrate our love:

- Flight destination: Izmir (Adnan menderes airport)
- Alaçati (59 min. (indeed not even one hour) drive from Izmir airport)

● What can you do in and around Alaçati?

- Alaçati: amazing cosy town - we cannot say more, you have to explore it yourself
- Beachbars: Before sunset – Sommer Klein – Yuzu beach
- Kitesurf:
 - Alaçati: Myga Surf City (mention that you are friends of Hazal & Gilles but rather of Hazal 😊)
 - Urla (27 min. drive from Alaçati): Kite Academy Urla
- Culture: Ephesus (Ancient Greek City – second biggest city of the Roman Empire) – Izmir is also great for a one day city trip - Winehouses (Urla Sarapcilik and USCA Winery)

Other (boutique) hotels of your own choice are of course as good! If you have a look on the map, you will see that Alaçati is rather small so you can also book hotels in Alaçati that are not on the list.

- Asma Yapragi Restaurant
- Eflatun Alacati
- Kapha Alacati
- Kuyu Alacati
- Roka Bahce

To all Chillers of Turkey: we hope this helps for preparing your trip to Alaçati and to be as excited as we are. If you have any further question, travel agency Hazal & Gilles is at your disposal.

Warm regards,
Hazal & Gilles
