

**Wedding  
Hazal & Gilles**

Dearest friends

Our Big Day is coming closer...

We are so much looking forward to celebrate our wedding with you in Alaçati.

Before sending you our personal invitation, we provide you already with some practical information so you can start planning your trip and get as excited as we are!

### ● Welcome drinks

- Date: Thursday 15 September 2022 at 20h  
(indeed – you are reading it correctly, it is a Thursday, a good reason to start the weekend early ~ YOLO ~)
- Location: Alaçati city (don't worry, it's a tiny town, you can walk)

### ● Our wedding

- Date: Friday 16 September 2022  
(indeed – Friday is the new Saturday)
- Timing: The wedding ceremony will start at 16h
- Dresscode: beach chic

○ Location:

The location remains a secret – you will be picked up in the city centre of Alaçati,

@dramaqueens: “nothing to worry about”

● How can you schedule your trip?

Turkey is not all about all-in hotels or kebab, it has more to offer: baklava!

All jokes aside, it also has to offer culture, blue sky and amazing food

(@Mr. Erdogan: sorry we left you out of the credits)

Two alternative options, depending on how you want to spend your trip to Turkey:

- (i) You are a globetrotter and you want to explore Turkey
- (ii) You are more a chill-kind-of-person and you want to come directly to Alaçati

For option one, you can find a tailor-made travel guide developed by your travel agency Hazal & Gilles in Annex one. If you want to be connected with all friends that are going for option one, you can join this [whatsapp group](#):

For option two, you can find a tailor-made travel guide developed by your Travel agency Hazal & Giller in Annex two. If you want to be connected with all friends that are going for option one, you can join this [whatsapp group](#):

- *Do I need a visum if I travel to Turkey?*

No, as a Belgian you don't need a visum. You can travel to Turkey with an identity card or an international passport.

Disclaimer without the intention for discrimination: if you are not Belgian, we refer to [www.google.com](http://www.google.com)

- *How can I travel from the airport to Alaçati (hotel)?*

@Triathletes: you can swim – bike – run to the town  
("What a luxury")

@Normal friends: Taxis are the best way to travel around. They are not expensive - we recommend paying the price in line with the 'meter'. Note that almost all taxis expect to pay in cash (in Turkish Lira).

- **Attention point**

Turkey is not within the European Union so better to switch off your roaming (4/5G) if you don't want to pay a high bill. If you really need to stay connected to 'the gram' (or Waze), you can easily buy prepaid sim cards in the airport.

- **How do I prepare properly?**

You can prepare properly by being well rested so you can enjoy and celebrate with us to the maximum!

We hope this helps you with preparing your trip to Alaçati but of course, don't hesitate to ask additional questions. Travel agency Kazal & Gilles is at your disposal.

We are looking forward to your fly-over to celebrate our wedding and make it a beautiful and unforgettable day.

Ps: below you can find some sphere pictures to get slightly into the mood...

Warm regards,  
Kazal & Gilles
